

# GOLDEN EAGLES MOTORCYCLE CLUB

*GEMC November News Letter*

## IMPORTANT MEETING!

Friday's meeting is of great importance to the members of GEMC. The nominations for the Board of Directors will be decided. The board serves as the working group for all of the Eagle's future club decisions. It is of prime importance to nominate those who show a sincere concern for the club's future endeavors. The general membership dues must be paid for 2013 by each member in order to participate in the nominations and ultimately the voting process. If your dues are not up to date, by the general membership meeting, plan on sitting out during this important club function. Also of equal importance is the fact that only attending members are allowed to nominate the board for 2013. The Halloween party details will also be decided at this Friday's meeting. The more input from members the better. PLEASE TRY TO ATTEND THIS MEETING TO ENSURE A GOOD TURN OUT! New hats have arrived and look fantastic. They are \$15.00 each and a good supply will be available at this Friday's meeting.

Cruisers Ride photo: It speaks for itself! Great weather, good people, lots of prizes & food and some nice highways to explore in Lake County. Another Cruiser Rally success!

The cruiser's club agenda provided a long run which included a poker run, a dice game and some great check points at various Pubs. It ended at the American Legion hall and some great food and live entertainment was provided. Congrats to John Mitchell for winning the 50/50 drawing. I'm not sure how much he won but some said it was in the thousands. Check with Mary Ellen for details. The Golden Eagles club also won a nice trophy for the largest outside motorcycle club participation with 9 members. It will be displayed at the clubhouse upon arrival from the Cruiser's. I hope to see even more attendance at next years Cruiser's event.
